FACILITIES

Startup Technology Helps Protect Historic Campus Buildings

Planning, Design, and Construction is piloting an innovative building envelope assessment at Lyman Hall that uses drone-mounted infrared technology to detect hidden moisture intrusion and potential building issues.

FACULTY

Provost's Emerging Leaders Program Welcomes 11th Cohort

The 2026–27 Provost's Emerging Leaders Program launched its eight-month leadership journey with a session focused on connection, collaboration, and learning from senior leaders.

PROFESSIONAL DEVELOPMENT

Is It Time to Upskill?

Career development should feel purposeful, personally fulfilling, and expansive, which is why it's important to understand its relevance, set well-defined career goals, and commit to continuous learning.

Getting to Know You

Tech Promise Alumna Returns as Faculty Guide

This fall, Emily Weigel returned to the G. Wayne Clough Tech Promise Scholars Program to serve as a faculty guide for the next generation of scholars. Weigel was an inaugural recipient of the scholarship as an undergraduate and is now a senior academic professional in the School of Biological Sciences. Her new role is a full-circle moment.

Campus Updates

Proposals Open for Graduate Education Summit

All are invited to submit proposals highlighting research-informed approaches, promising practices, and experience-based strategies that strengthen the graduate student experience. The deadline has been extended to Sept. 18.
