Finding Balance as You Grow
Taking the next step in your career while managing work and life will demand not only commitment but also adaptability. Follow these tips to be successful in continuing your education as a working adult.

Celebrating Postdocs
Following National Postdoc Appreciation Week, several postdoctoral fellows and their colleagues share what postdocs mean and contribute to the campus community.

Living Our Values — We Act Ethically
While ethics is a year-round priority, Ethics Week puts a spotlight on all the various ways our campus engages in ethical decision-making and ethical leadership. Look out for a keynote event and giveaways this week.

Commencement Is Coming
Commencement would not be possible without the involvement and support of faculty and staff. Volunteering for Commencement is a fun and gratifying experience to help make a graduate’s day a great one, and volunteers are needed throughout Commencement weekend.
Getting to Know You

Jeremy Gray, Senior Associate Registrar

Students interact with the Registrar’s Office on multiple occasions during their time at Tech — and Gray is one of several people there to help.

Campus Newsstand

CEISMC IMPACT Magazine

The Center for Education Integrating Sciences, Mathematics, and Computing’s annual publication explores activities to promote K-12 STEM and STEAM education.
